**The Guiding Harbor Auction is an annual  
event that  
helps raise money to support the programs  
offered by our agency. All money raised at  
the auction goes directly  
towards meeting the needs of the youth  
served by the agency.**

Guiding Harbor is a private, non-profit  
organization that  
provides services to Michigan's abused and neglected  
children. For more than 60 years, we have  
provided a supportive and nurturing environment for  
children when they cannot  
stay safely in their homes. Our goal is to educate each person  
placed with us,  
by teaching the life skills necessary to make wise decisions so  
they may become  
a productive member of society.
